RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, REESTABLISHING AND CONTINUING THE PALM TRAN SERVICE BOARD; ADDRESSING TERMS, POWERS AND DUTIES; INCLUDING UNIFORM POLICIES AND PROCEDURES REQUIREMENTS OF THE COUNTY FOR ADVISORY BOARDS; REPEALING RESOLUTION NOS. R-2001-2241, R-2002-0485, R-2003-1582, R-2004-0949, R-2007-0711 AND R-2008-1568; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners (Board) adopted Resolution No. R-2001-2241 which created the Palm Tran Service Board (PTSB); and

WHEREAS, the PTSB was created to act as an advisory body to the Board of County Commissioners regarding the County's provision of fixed route public transportation and paratransit services, except that it was authorized to hold public hearings and make determinations regarding adjustments to Palm Tran's fixed route public transportation services; and

WHEREAS, the Board of County Commissioners adopted Resolution No. R-2013-0193 establishing uniform policies and procedures for Palm Beach County advisory boards; and

WHEREAS, the requirements of Resolution No. R-2013-0193 may be waived upon a majority vote of the Board of County Commissioners; and

WHEREAS, the Board of County Commissioners has previously waived the requirements of Resolution No. R-2013-0193 which limit the maximum number of members that may serve on a County board and which require all board members to be residents of the County; and

WHEREAS, the Board of County Commissioners desires to repeal Resolution No. R-2001-2241, and all of its amending resolutions, and to adopt in their stead, a resolution reestablishing the Palm Tran Service Board in conformity with the requirements of Resolution No. R-2013-0193, except as such requirements have been waived by the Board of County Commissioners, and continuing the PTSB as further described herein, without lapse in its authority or effect; and

WHEREAS, the Palm Tran Service Board has been and shall continue to be a mechanism for the participation of individuals with disabilities in the continued development and assessment of public transit services to individuals with disabilities.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA that:

Section 1. Repeal of Resolutions - Resolutions Nos. R-2001-2241, R-2002-0485, R-2003-1582, R2004-0949, R-2007-0711 and R-2008-1568 of the Board of County Commissioners of Palm Beach County, Florida are hereby repealed.

Section 2. Reestablishment of the Palm Tran Service Board - The Board of County Commissioners of Palm Beach County, Florida does hereby reestablish and continue the "Palm Tran Service Board" (PTSB), without lapse in its authority, effect, or membership. Its purpose, functions and actions shall be advisory in nature, except for the exercise of authority granted to it in Section 4 below.

Section 3. Purpose - The PTSB shall act as an advisory board to the Board of County Commissioners regarding Palm Tran's fixed route and paratransit programs and services, and in its performance of the duties set forth in Section 9, except when exercising the authority described in Section 4 and paragraphs a. and b. of Section 9 below. The PTSB shall provide an ongoing mechanism for the participation of individuals, with and without disabilities, in the continued development, implementation and assessment of all Palm Tran services.

Section 4. Authorization to hold Public Hearings and Meetings - The Board of County Commissioners does hereby expressly authorize the PTSB to exercise the authority vested in the Board of County Commissioners to conduct all public meetings and public hearings required to be held prior to the implementation of any adjustment to Palm Tran's fixed route public transportation services, and having solicited and considered all public comments received related to a proposed service adjustment, to approve or disapprove the implementation thereof. All route and schedule adjustments, for which there will be an increase in the cost of services, must be funded in Palm Tran's annual budget approved by the Board of County Commissioners. All authority vested in the Board of County Commissioners is retained by the Board of County Commissioners, including but not limited to, the approval of Palm Tran's capital and operating budgets, the establishment of all fares, the employment of all staff, the filing of all grant applications, the approval of all solicitations, contracts and purchases, and the establishment of all Palm Tran policies and procedures.

Section 5. Application of the County's Uniform Policies and Procedures for Palm Beach County Advisory Boards - The PTSB and its members shall be subject to the uniform policies and procedures established by the Board of County Commissioners in Resolution No. R-2013-0193, as it may be amended or replaced by action of the Board of County Commissioners from time to time, except to the extent the application of such policies has been waived by the Board of County Commissioners. As of the date of this resolution, the Board of County Commissioners has waived the limitation on the maximum number of members that may constitute a board as set forth in Section 11 of Resolution No. R-2013-0193. This waiver shall remain in effect until extinguished or removed by the Board of County Commissioners by amendment to this resolution or the adoption of a resolution or enactment of an ordinance that rescinds or extinguishes prior waivers granted by the Board of County Commissioners.

Section 6. PTSB Appointments - The PTSB and its members shall be subject to the procedure for at-large and district appointments to advisory boards established by PPM CW-O-023, as it may be amended or replaced from time to time, so as to ensure consistency with agenda submittal and review procedures.

Section 7. Composition - The PTSB shall be composed of thirteen (13) voting members who must be residents of Palm Beach County, unless such residency requirement is waived by the Board of County Commissioners. Each member shall serve at-large and at the pleasure of the Board of County Commissioners.

Section 8. Terms -

a. The term of office for each member of the PTSB holding office at the time this Resolution is adopted shall remain in effect except that each member's term shall be modified to end on September 30th of the year in which the member's term is to expire. Thereafter, the terms of office for all members shall be three (3) years, and all terms shall begin on the 1st of October and end on the 30th of September. No member shall serve more than three (3) consecutive three (3) year terms. This limitation shall not be applied retroactively to include the terms or portions thereof served by a member appointed to the PTSB prior to the adoption of R-2013-0193, and shall not be applied so as to prevent a member from serving a maximum of three (3) consecutive terms or nine (9) additional years from the date of the adoption of R-2013-0193.

b. All members serve at the pleasure of the Board of County Commissioners and may be removed, for any reason whatsoever, with or without cause, by a majority vote of the Board of County Commissioners.

c. Notwithstanding anything contained herein, a member's appointment shall terminate and the member shall be automatically removed, with or without the action of the Board of County Commissioners, for lack of attendance. Lack of attendance is defined as a failure to attend three (3) consecutive meetings or a failure to attend more than one-half ($\frac{1}{2}$) of the meetings scheduled during a calendar year. Participation for less than three-fourths ($\frac{3}{4}$) of a meeting shall be the same as a failure to attend a meeting. Members removed pursuant to this paragraph shall not continue to serve on the PTSB and such removal shall create a vacancy.

d. To the extent deemed possible by the Board of County Commissioners, the criteria set forth below will be used in the selection and appointment of thirteen (13) members to serve on the PTSB,

except that Seat 4 must be filled by an elected municipal official. Except as to the category assigned to Seat 4, it is the goal of the Board of County Commissioners to have one (1) member appointed to the PTSB from each of the remaining categories:

The Board of County Commissioners may request the Palm Beach County League of Cities, Inc. to select and recommend to the Board of County Commissioners, an elected municipal official from a city located within Palm Beach County, to be appointed to perform the *ex officio* duties of Seat 4.

In the event the PTSB shall not approve a recommendation made by the Executive Director and the Executive Director determines that a change or modification suggested by the PTSB is not appropriate, the Executive Director shall take no action on the recommended adjustment but may, at any time, resubmit the matter to the PTSB, for its consideration and approval.

Within any particular meeting, the PTSB will not take any action on any matter which has not been placed on the agenda for that meeting, unless the PTSB finds special conditions or circumstances exist which require immediate action.

Any citizen may be appointed to serve on a standing subcommittee. Standing subcommittees shall elect a vice-chair from among its members. All standing subcommittee members shall comply with the requirements of the Palm Beach County Code of Ethics applicable to officials of advisory boards. Standing subcommittee members may be automatically removed for lack of attendance, with or without action of the Chair. The Executive Director or his or her designee shall be responsible for monitoring the attendance of the members of any standing subcommittee and for notifying the PTSB and its Chair of the automatic removal of a member for lack of attendance, and for monitoring standing subcommittee members' compliance with the Palm Beach County Code of Ethics.

d. The primary purpose of the Paratransit Standing Subcommittee is to create a forum for individuals with disabilities to participate in the continued development and assessment of services to individuals with disabilities. Section 12. Maximum Number of Boards - The maximum number of boards that an individual appointed by the Board of County Commissioners may serve on at one time shall be three (3), except that no individual may serve on more than one (1) board if doing so would violate Article II, Section 5(a) of the Florida Constitution, which prohibits dual-office holding.

Section 13. PTSB Chair - The PTSB shall elect a chair and a vice-chair from among its members. The chair and the vice-chair shall each serve for a term of one (1) year. There shall be no limit on the number of terms an individual may be elected as chair or vice-chair.

b. The PTSB shall endeavor to meet on a monthly basis and may meet more or less frequently as it deems appropriate or as requested by the Executive Director.

c. Meetings of the PTSB shall be governed by Roberts' Rules of Order. The PTSB may, however, establish its own rules of procedure for the conduct of its meetings.

Section 15. Noninterference - Members of the PTSB shall not contact Palm Tran staff, for any reason, other than the Executive Director of Palm Tran or his or her designee.
