THIS SUMMARY IS NOT TO BE USED AS A BASIS FOR PAYMENT.

(Continued from Page 1)

Background and Justification:

Individual Task Orders for projects will be negotiated or assigned directly based upon the County's requirements. Task Orders amounting to more than \$100,000 will require the Board's approval.

Continued mapping updates will facilitate infrastructure planning and maintenance in the high growth and redevelopment areas of the County. It is important that the common base map be updated regularly as this resource is used internally by many County enterprise applications and by the public via Palm Beach County Open Data, myGeoNav and the Property Appraiser website. The contracts are structured with the option to extend for up to three (3) additional one (1) year periods.

**AMENDMENT NO. 2 TO CONTRACT FOR
CONSULTING/PROFESSIONAL SERVICES**

WHEREAS, the County desires to extend the Contract for the second additional one (1) year period, until October 18, 2026.

NOW, THEREFORE, the parties wish to amend Article 2 of the Contract as follows:

No Task Orders may be issued following expiration of the Contract and all open Task Orders shall be completed in accordance with their applicable schedules.
