I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) an Agreement for Purchase and Sale of a 1.3-acre parcel of vacant land located north of Indiantown Road and east of Bee Line Highway from Canopus Investment Group, LLC for \$20,150 plus closing, title insurance, and recording costs estimated to be \$800;
- B) a Memorandum of Agreement with Canopus Investment Group, LLC to be recorded in the public records to provide notice of the Agreement;
- C) an Agreement for Purchase and Sale of a 1.3-acre parcel of vacant land located north of Indiantown Road and east of Bee Line Highway from Bryan Pontious and David Cheung, Trustees under the Bryan Pontious Protection Trust for \$20,150 plus closing, title insurance, and recording costs estimated to be \$800; and
- D) a Memorandum of Agreement with Bryan Pontious and David Cheung, Trustees under the Bryan Pontious Protection Trust to be recorded in the public records to provide notice of the Agreement.

Summary: On November 2, 2021, the Board of County Commissioners (BCC) approved a Fiscal Strategy for the spending of American Rescue Plan Act (ARPA) funds, which included an allocation of \$4,000,000 for the acquisition of environmentally sensitive lands. The parcels owned by Canopus Investment Group, LLC (Canopus Parcel) and Bryan Pontious and David Cheung, Trustees under the Bryan Pontious Protection Trust (Pontious Parcel), are interior parcels located in an area known as Palm Beach Heights (part of the Pal-Mar Ecosite). The Pal-Mar Ecosite is part of a large ecological greenway that stretches from just west of the Atlantic Ocean to just east of Lake Okeechobee. The area provides habitat for a wide variety of native plants and animals and it is part of a hydrologically significant region that includes the headwaters of the federally designated Wild and Scenic Northwest Fork of the Loxahatchee River. Hence its value as environmentally sensitive land. Appraisals were obtained from Anderson & Carr, Inc. and M.R. Ford & Associates, Inc. who assigned a \$15,000 and \$16,000 per acre value for interior parcels in Palm Beach Heights, respectively. Callaway & Price, Inc. reviewed the appraisals and concluded a reasonable aggregate value of \$15,500 per acre for interior Palm Beach Heights parcels, which is the basis of the offers. The Agreements allow for the County’s due diligence review of the parcels within 45 days of BCC approval. The County will pay title insurance policy premiums, and closing and recording costs estimated to be \$800 for the Canopus Parcel and \$800 for the Pontious Parcel. The Environmental Resources and Management (ERM) Department will perform pre-acquisition environmental assessments for the parcels prior to closing. Boundary surveys will not be obtained for any of the parcels due to their environmental sensitivity, wet nature and remote location. ERM will be responsible for the administration of the parcel. All costs related to the acquisition will be paid from existing funds received from the ARPA Response Replacement Fund. **These are County ARPA Response Replacement funds that do not require a local match. These acquisitions must be approved by a supermajority vote (5 Commissioners). (Property & Real Estate Management) District 1 (ZQ)**

Background and Policy Issues: Lands in the Pal-Mar Ecosite were on the County's proposed acquisition list for both the Palm Beach County Environmentally Sensitive Lands Bond Referendum of March 12, 1991, and the Palm Beach County Lands for Conservation Purposes Bond Issue Referendum of March 9, 1999. Some of the proceeds from those two (2) referendums were used to acquire larger tracts of land within the Pal-Mar Ecosite. However, the funds ran out before the County could initiate a willing seller program within the Palm Beach Heights portion of the Pal-Mar Ecosite.

In November 2021, the BCC approved the use of ARPA Response Project Funds to initiate a willing seller program to acquire environmentally sensitive lands within the County. One of the areas identified for potential acquisition was Palm Beach Heights. Willing seller offer letters have been sent to all owners of interior parcels within the Palm Beach Heights area.

The County currently owns 206 of the 434 parcels in the Palm Beach County portion of Palm Beach Heights. The County has been acquiring parcels in this area as they become available. The subject parcels are contiguous to County-owned parcels and contain depression marsh, wet flatwoods and wet prairie habitats. A summary of acquisitions approved by the BCC to date under the ARPA-funded willing seller program to acquire environmentally sensitive lands within the County is provided in Attachment 6.

The Disclosure of Beneficial Interests from Canopus Investment Group, LLC and Bryan Pontious and David Cheung, Trustees under the Bryan Pontious Protection Trust are attached as Attachment 9.

In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to Seller, whereupon the parties shall be relieved of all further obligations hereunder.

6. **EVIDENCE OF TITLE.**

6.1 Within thirty (30) days after the Effective Date of this Agreement, County shall obtain an owner's title insurance commitment, together with legible copies of all exceptions to coverage reflected therein, issued by Guaranteed Florida Title, Escrow & Abstract Inc., agreeing to issue to County upon the recording of the Statutory Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of County to the Real Property, subject only to the Permitted Exceptions. The cost of said title insurance commitment and title insurance policy and any premium therefor shall be borne by County.

County shall have until the later of ten (10) days after receipt of the title insurance commitment, or the end of the Inspection Period, whichever is later, in which to review same. In the event the title insurance commitment shall show as an exception any matter

other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exception(s) shall be deemed to constitute title defects. Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at Closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, Seller shall be required to take such actions as are necessary for the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 of this Agreement); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 of this Agreement); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 of this Agreement for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any

encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; and (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by County.

10. **CLOSING.** The parties agree that Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** Closing shall be held at the Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida.

10.2 **Closing Date.** Closing shall take place within fifteen (15) days after expiration of the Inspection Period, or at such earlier date as is mutually agreed upon by the parties.

10.3 **Closing Documents.** County shall be responsible for preparation or causing the preparation of all closing documents except any documents required for Seller to cure any title defects which Seller shall cause to be prepared. County shall submit copies of same to Seller no less than ten (10) days before Closing. At Closing, Seller shall deliver, or cause to be delivered to County, the following documents, each fully executed and acknowledged as required.

10.3.1 **Statutory Warranty Deed.** A Statutory Warranty Deed conveying good and marketable fee simple title to the Property, subject only to the Permitted Exceptions.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests as required by Section 286.23, Florida Statutes, which accurately discloses the name and address of any person or entity having a five percent (5%) or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure of Beneficial Interests or notice of change thereto previously provided to County, and in the same form as previously provided to County. In the event Seller is an individual, Seller is exempt from this provision.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts, or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, Seller shall execute and deliver to County a "Non-Foreign Affidavit", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to fifteen percent (15%) of the gross amount of the purchase price and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute a 1099-S and such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller's existence, good standing, power and authority to enter into and consummate the transaction herein contemplated.

10.4 **Possession.** At Closing, Seller shall deliver full, complete, and exclusive possession of the Property to County.

11.3 Seller and County shall each pay their own attorney's fees.

12. **PRORATIONS.**

12.1 **Taxes.** On or before the Closing Date, Seller shall establish an escrow fund with the County Tax Collector pursuant to Section 196.295, Florida Statutes, and shall pay into said escrow Seller's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years as determined by the Tax Collector. Seller's prorata share of all taxes and assessments shall include the day of Closing.

12.2 **Assessments.** If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual or other installments, the first (1st) installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by Seller on or before the Closing Date. 27. **NO THIRD-PARTY BENEFICIARY.** No provision of this Agreement is intended to, or shall be construed to, create any third-party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizens of Palm Beach County or employees of County or Seller.

5. **INSPECTION OF PROPERTY.** During the Inspection Period, County and its engineers, surveyors, agents, and representatives shall have unrestricted access to the Property for purposes of survey, testing and inspection thereof. All surveys, testing and inspections shall be conducted by County at its expense, and shall be performed by licensed persons or firms dealing in the respective areas or matters tested. All testing shall be done in the least intrusive manner reasonably practical. In the event County elects not to close upon its purchase of the Property, County shall restore the Property to the condition in which it existed prior to such inspections, using materials of like kind and quality. Nothing contained herein shall be construed to prohibit County from disclosing the results of said inspections as may be required by applicable law. In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to Seller, whereupon the parties shall be relieved of all further obligations hereunder.

6. **EVIDENCE OF TITLE.**

6.1 Within thirty (30) days after the Effective Date of this Agreement, County shall obtain an owner's title insurance commitment, together with legible copies of all exceptions to coverage reflected therein, issued by Guaranteed Florida Title, Escrow & Abstract Inc., agreeing to issue to County upon the recording of the Statutory Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of County to the Real Property, subject only to the Permitted Exceptions. The cost of said title insurance commitment and title insurance policy and any premium therefor shall be borne by County.

County shall have until the later of ten (10) days after receipt of the title insurance commitment, or the end of the Inspection Period, whichever is later, in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exception(s) shall be deemed to constitute title defects. Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage.

Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at Closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, Seller shall be required to take such actions as are necessary for the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 of this Agreement); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 of this Agreement); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 of this Agreement for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County

shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; and (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by County.

10. **CLOSING.** The parties agree that Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** Closing shall be held at the Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida.

10.2 **Closing Date.** Closing shall take place within fifteen (15) days after expiration of the Inspection Period, or at such earlier date as is mutually agreed upon by the parties.

10.3 **Closing Documents.** County shall be responsible for preparation or causing the preparation of all closing documents except for a trustee certification or trustee affidavit and any documents required for Seller to cure any title defects which Seller shall cause to be prepared. County shall submit copies of same to Seller no less than ten (10) days before Closing. At Closing, Seller shall deliver, or cause to be delivered to County, the following documents, each fully executed and acknowledged as required.

10.3.1 **Statutory Warranty Deed.** A Statutory Warranty Deed conveying good and marketable fee simple title to the Property, subject only to the Permitted Exceptions.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests as required by Section 286.23, Florida Statutes, which accurately discloses the name and address of any person or entity having a five percent (5%) or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure of Beneficial Interests or notice of change thereto previously provided to County, and in the same form as previously provided to County. In the event Seller is an individual, Seller is exempt from this provision.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the

Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts, or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, Seller shall execute and deliver to County a "Non-Foreign Affidavit", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to fifteen percent (15%) of the gross amount of the purchase price and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute a 1099-S, a trustee certificate or trustee affidavit and such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller's existence, good standing, power and authority to enter into and consummate the transaction herein contemplated.

10.4 **Possession.** At Closing, Seller shall deliver full, complete, and exclusive possession of the Property to County.

10.5 **County's Obligations.** At Closing, County shall deliver, or cause to be delivered, to Seller the following:

10.5.1 **Cash due at Closing.** The required payment due in Current Funds as provided elsewhere herein.

11. **EXPENSES.**

11.1 County shall pay the following expenses at Closing.

11.1.1 The cost of recording the deed of conveyance.

11.1.2 All costs and premiums for the owner's title insurance commitment and policy.

11.2 Seller shall pay the following expenses at Closing:

11.2.1 Documentary Stamps required to be affixed to the deed of conveyance.

11.2.2 The cost of lien searches and all costs necessary to cure title defect(s) or encumbrances, other than the Permitted Exceptions, and to satisfy or release of record all existing mortgages and liens upon the Property.

11.3 Seller and County shall each pay their own attorney's fees.

12. **PRORATIONS.**

12.1 **Taxes.** On or before the Closing Date, Seller shall establish an escrow fund with the County Tax Collector pursuant to Section 196.295, Florida Statutes, and shall pay into said escrow Seller's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years as determined by the Tax Collector. Seller's prorata share of all taxes and assessments shall include the day of Closing.

12.2 **Assessments.** If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual or other installments, the first (1st) installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by Seller on or before the Closing Date. Any other assessments not deemed to be due and payable as aforesaid which burden County owned property shall be deemed to be payable on a calendar year basis in arrears and prorated accordingly.

13. **CONDEMNATION.** In the event that all or any part of the Property shall be acquired or condemned for any public or quasi-public use or purpose, or if any acquisition or condemnation proceedings shall be threatened or begun prior to Closing of this transaction, County shall have the option to either terminate this Agreement and the obligations of all parties hereunder shall cease, or to proceed, subject to all other terms, covenants, conditions, representations, and warranties of this Agreement to Closing, receiving, however, any and all damages, awards, or other compensation arising from or attributable to such acquisition or condemnation proceedings. County shall have the right to participate in any such proceedings.

14. **REAL ESTATE BROKER.** Seller represents and warrants to County that it has not dealt with any broker, salesman, agent, or finder in connection with this

transaction and agrees to indemnify, defend, save, and hold County harmless from the claims and demands of any real estate broker, salesman, agent or finder claiming to have dealt with Seller. All indemnities provided for in this Section shall include, without limitation, the payment of all costs, expenses and attorney's fees incurred or expended in defense of such claims or demands. The terms of this Section shall survive the Closing or termination of this Agreement.

15. **NOTICES.** All notices and elections (collectively, "notices") to be given or delivered by or to any party hereunder shall be in writing and shall be (as elected by the party giving such notice) hand delivered by messenger, courier service, or national overnight delivery service, telecopied, or faxed, or alternatively shall be sent by United States Certified Mail with Return-Receipt Requested. **REPORT ON LACK OF DEVELOPMENT POTENTIAL OF
PALM BEACH HEIGHTS PARCELS -
APRIL 2017**

Purpose:

The purpose of this report is to notify and help educate land owners and other interested parties regarding the lack of development potential (also known as "buildability") of parcels within the Palm Beach Heights portion of Palm Beach County (Palm Beach Heights; Attachment).

Lack of Development Potential:

As of April 2017 most of the parcels in Palm Beach Heights could not meet current land development regulations and therefore are not buildable. The eight parcels along the Beeline Highway and Indiantown Road described below may be an exception due to their direct access to an existing road and the timing of their original deeds. However, a number of significant regulatory hurdles must be overcome for those parcels to be considered buildable.

Factors Affecting Development Potential:

There are 434 individually-deeded parcels within this approximate 716-acre area. In order for parcels to be buildable they must have been created by legal subdivision, meet the density requirements of the Comprehensive Plan and meet the regulations in the Unified Land Development Code (ULDC) or qualify under the Potentially Buildable Lot Review. They also must have an approved drainage plan before they can be issued a permit for the operation of a septic system, and receive a wetland fill permit from the South Florida Water Management District (SFWMD) and the Army Corps of Engineers (ACOE) prior to impacting any existing wetlands.

Only 26 of the 434 parcels were deeded into separate ownership before February 5, 1973 and are considered "grandfathered" with respect to the subdivision rule requirements for a legal subdivision. Unlike some of the Jupiter Farms areas, the owners of the Palm Beach Heights area failed to apply for and obtain an Affidavit of Exemption which could have exempted the Palm Beach Heights area from the subdivision rule. As a result, all other Palm Beach Heights parcels are considered an illegal subdivision. Of the 26 grandfathered parcels, two were owned by the same entity on February 5, 1973 and were grandfathered only as a single, combined parcel. Two of the 26 grandfathered parcels are now owned by Palm Beach County. None of the grandfathered parcels can meet the ULDC requirement of having useable access from an existing road, in this case, to either the Beeline Highway or Indiantown Road. While some road easements exist, they are principally over submerged lands and are considered unusable.

Eight parcels along the Beeline Highway and Indiantown Road, which were originally deeded between February 5, 1973 and June 16, 1992, may be able to meet the requirements listed under Zoning's Potentially Buildable Lot Review. However, unless they get an approved drainage plan from the SFWMD and/or the PBC Engineering Department, in addition to the necessary wetland

permits, these eight parcels also would be unbuildable. None of these parcels have received drainage approval from the Land Development Division. As a result, they may not be able to receive approval for septic tank usage based on the Florida Department of Health's criteria. The likelihood of receiving SFWMD or ACOE permits for wetland fill is considered remote and building in wetland areas without such permits would be in violation of federal and state rules and regulations.

Confirmation of Factors Listed Above Which Affect the Development Potential and Buildability of Parcels within Palm Beach Heights:
