I. EXECUTIVE BRIEF

Motion and Title: Staff recommends to:

- A. **approve** a pilot program utilizing Opioid Settlement Funds (OSF), in an amount not-to-exceed \$500,000, to support the acquisition of tiny homes to be owned and operated by a nonprofit agency and used as transitional housing for opioid settlement-eligible populations; and
- B. **delegate authority** to the County Administrator, or designee, to execute agreements, and any non-substantive amendments thereto, between Palm Beach County (County) and nonprofit agencies (to be determined) for the purchase of tiny homes utilizing OSF, in an amount not-to-exceed \$100,000 per agreement, that do not substantially change the scope of work, terms or conditions of future documents.

Summary: The County has received OSF to support strategies that address substance use disorder and its impacts, including housing instability among affected individuals. Staff proposes to utilize a portion of these funds to support the acquisition of tiny homes that will be owned and operated by a nonprofit agency and used as transitional housing to serve populations eligible under the opioid settlement allowable uses.

Under the proposed structure, the County will enter into an agreement directly with a nonprofit agency. The nonprofit agency will be responsible for procuring the tiny homes in accordance with applicable procurement requirements, managing construction or purchase activities, and assuming ownership, operation, and long-term responsibility for the units. The County will not retain ownership of the tiny homes and will have no ongoing operational or maintenance responsibility. To facilitate timely procurement, the agreement may allow for a one (1) time advance payment of a portion of the total funding, with remaining funds disbursed on a reimbursement basis upon submission of required documentation and verification of progress or completion.

The agreement will establish funding limits, performance requirements, reporting requirements, and compliance provisions consistent with opioid settlement requirements. Authorization is requested to delegate authority to the County Administrator, or designee, to execute the agreement and approve non-substantive amendments necessary to implement the project. Total funding under the agreements will not exceed \$500,000. Countywide (JBR)

Background and Policy Issues: In 2022, the Board of County Commissioners (BCC) designated the Community Services Department (CSD) as the lead entity for planning, administration, coordination, and contracting of behavioral health and substance use disorder services in Palm Beach County. It further established the County Advisory Committee on Behavioral Health and Substance Use Disorder (BHSUCOD) on November 1, 2022, to enhance the County's capacity and effectiveness in formulating a comprehensive, integrated, and effective behavioral health, substance use and co-occurring disorders prevention, treatment, support, and recovery plan (R2022-1340). On November 15, 2022, the BCC approved the Behavioral Health and Substance Use Disorder Plan 2022 (BHSUD Plan 2022) (Agenda Item No: 5F-1). The creation of the BHSUCOD and the BHSUD Plan 2022 were developed to satisfy the State of Florida's Opioid Settlement Clearing Trust Fund requirement pursuant to section 17.42(4)(c), Florida Statutes (2022). The BHSUD Plan 2024 was approved by the BCC on October 22, 2024, and now serves as the guiding framework for investment of opioid settlement proceeds. The BHSUD Plan 2024 included \$1,631,028 for housing.

ARTICLE 9 INSURANCE

The AGENCY shall maintain at its sole expense, in force and effect at all times during the term of this Agreement, insurance coverage and limits (including endorsements) as described herein. Failure to maintain at least the required insurance shall be considered default of the Agreement. For policies written on a "claims-made" basis, AGENCY warrants the Retroactive Date equals or precedes the effective date of this Agreement. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the term of this Agreement, AGENCY shall purchase a SERP with a minimum reporting period not less than three (3) years after the expiration of the Agreement term. The requirement to purchase a SERP shall not relieve the AGENCY of the obligation to provide replacement coverage. The policy shall be endorsed with an "Occupancy Endorsement," or similar endorsement, amending the automatic termination of coverage in the event the project is partially occupied, or put to its intended use prior to completion of construction. If a sublimit applies to the perils of wind or flood, the sublimit shall not be less than 25% of the projected completed value of the project.

G. Full Force and Effect: The coverage shall be kept in force until final payment has been made in accordance with other applicable Agreement requirements, or until the AGENCY and COUNTY mutually consent to the termination, whichever occurs first.

H. Waiver of Subrogation: Except where prohibited by law, AGENCY hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy except Professional Liability. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then AGENCY shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy that includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should AGENCY enter into such an agreement on a pre-loss basis.

This Florida Opioid Allocation and Statewide Response Agreement (the “Agreement”) is entered into between the State of Florida (“State”) and certain Local Governments (“Local Governments” and the State and Local Governments are jointly referred to as the “Parties” or individually as a “Party”). The Parties agree as follows:

Whereas, the people of the State and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain; and

Whereas, certain of the Parties have separately sued Pharmaceutical Supply Chain participants for the harm caused to the citizens of both Parties and have collectively negotiated settlements with several Pharmaceutical Supply Chain Participants; and

Whereas, the Parties share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State; and

Whereas, it is the intent of the State and its Local Governments to use the proceeds from any Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment, prevention and other related programs and services, such as those identified in Exhibits “A” and “B,” and to ensure that the funds are expended in compliance with evolving evidence-based “best practices;” and

17. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

18. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

19. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement** - Other than funds used for the Administrative Costs and Expense Fund as hereinafter described or to pay obligations to the United States arising out of Medicaid or other federal programs, all Opioid Funds shall be utilized for Approved Purposes. In order to accomplish this purpose, the State will either: (a) file a new action with Local Governments as Parties; or (b) add Local Governments to its existing action, sever any settling defendants. In either type of action, the State will seek entry of a consent judgment, consent order or other order binding judgment binding both the State and Local Governments to utilize Opioid Funds for Approved Purposes ("Order") from the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida (the "Court"), except as herein provided. The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction by the Court to address non-performance by any party under the Order.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the Core Strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **No Benefit Unless Fully Participating** - Any Local Government that objects to or refuses to be included under the Order or refuses or fails to execute any of documents necessary to effectuate a Settlement shall not receive, directly or indirectly, any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the Local Governments. Funds that were for a Municipality that does not join a Settlement will be distributed to the County where that Municipality is located. Funds that were for a County that does not join a Settlement will be distributed pro rata to Counties that join a Settlement. For avoidance of doubt, if a Local Government initially refuses to be included in or execute the documents necessary to effectuate a Settlement and subsequently effectuates such documents necessary to join a Settlement, then that Local Government will only lose those payments made under a Settlement while that Local Government was not a part of the Settlement. If a Local Government participates in a Settlement, that Local Government is thereby releasing the claims of its Dependent Special District claims, if any.

4. **Distribution Scheme** – If a Settlement has a National Settlement Administrator or similar entity, all Opioids Funds will initially go to the Administrator to be distributed. If a Settlement does not have a National Settlement Administrator or similar entity, all Opioid Funds will initially go to the State, and then be distributed by the State as they are received from the Defendants according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting any costs of the Expense Fund detailed below. Funds due the federal government, if any, pursuant to Section B-2, will be subtracted from only the State and Regional Funds below:

- (a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality, which are attached to this Agreement as Exhibit “C.” In the event that a Municipality has a Population less than 10,000 people and it does not execute a release or otherwise join a Settlement that Municipalities share under the Negotiation Class Metrics shall be reallocated to the County where that Municipality is located.
- (b) Regional Fund- The regional fund will be subdivided into two parts.
 - (i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in paragraph 5 of the Agreement, and according to the Negotiation Class Metrics.
 - (ii) For Qualified Counties, the Qualified County’s share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.
 - (iii) For all other Counties, the State will appropriate the regional share for each County and pay that share through DCF to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies as directed by the Opioid Abatement Task Force or Council. The Managing Entities shall expend monies from this Regional Fund on services for the Counties within the State that are non-Qualified Counties and to ensure that there are services in every County. To the greatest extent practicable, the Managing Entities shall endeavor to expend monies in each County or for citizens of a County in the amount of the share that a County would have received if it were a Qualified County.
- (c) State Fund - The remainder of Opioid Funds will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.
- (d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial amount.

(e) To the extent a County or Municipality wishes to pool, comingle, or otherwise transfer its share, in whole or part, of Opioid Funds to another County or Municipality, the comingling Municipalities may do so by written agreement. The comingling Municipalities shall provide a copy of that agreement to the State and any settlement administrator to ensure that monies are directed consistent with such agreement. The County or Municipality receiving any such Opioid Funds shall assume the responsibility for reporting how such Opioid Funds were utilized under this Agreement.

5. **Regional Fund Sliding Scale-** The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year after deduction of Expenses and any funds due the federal government:

- A. Years 1-6: 40%
- B. Years 7-9: 35%
- C. Years 10-12: 34%
- D. Years 13-15: 33%
- E. Years 16-18: 30%

6. **Opioid Abatement Taskforce or Council** - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, DCF, and Local Governments on the priorities that should be addressed by expenditure of Opioid Funds and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) **Size** - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Government representatives.

(b) **Appointments Local Governments** - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county of less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) **Appointments State** -

- (i) The Governor shall appoint two Members.
- (ii) The Speaker of the House shall appoint one Member.

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a four-year term and shall be staggered to comply with Florida Statutes § 20.052(4)(c).

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes or similar such uses for how monies should be spent the coming fiscal year to respond to the opioid epidemic. Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year.

(i) Accountability - The State and each of the Local Governments shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of expenditures on Approved Purposes. In setting those requirements, the Taskforce or Council shall consider the Reporting Templates, Deliverables, Performance Measures, and other already utilized and existing templates and forms required by DCF from Managing Entities and suggest that similar requirements be utilized by all Parties to this Agreement.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

7. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds. Municipalities and Counties may take no more than a 5% administrative fee from any funds that they receive or control from the City/County Fund.

8. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

9. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

10. **Program Requirements**- DCF and Local Governments desire to make the most efficient and effective use of the Opioid Funds. DCF and Local Governments will work to achieve that goal by ensuring the following requirements will be minimally met by any governmental entity or provider providing services pursuant to a contract or grant of Opioid Funds:

a. In either performing services under this Agreement or contracting with a provider to provide services with the Opioid Funds under this Agreement, the State and Local Governments shall be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and similar regulations relating to the substance abuse and treatment services.

b. The State and Local Governments shall have and follow their existing policies and practices for accounting and auditing, including policies relating to whistleblowers and avoiding fraud, waste, and abuse. The State and Local Governments shall consider additional policies and practices recommended by the Opioid Abatement Taskforce or Council. c. In any award or grant to any provider, State and Local Governments shall ensure that each provider acknowledges its awareness of its obligations under law and shall audit, supervise, or review each provider's performance routinely, at least once every year.

d. In contracting with a provider, the State and Local Governments shall set performance measures in writing for a provider.

e. The State and Local Governments shall receive and report expenditures, service utilization data, demographic information, and national outcome measures in a similar fashion as required by the 42.U.S.C. s. 300x and 42 U.S.C. s. 300x-21.

f. The State and Local Governments, that implement evidenced based practice models will participate in fidelity monitoring as prescribed and completed by the originator of the model chosen..

g. The State and Local Governments shall ensure that each year, an evaluation of the procedures and activities undertaken to comply with the requirements of this Agreement are completed.

h. The State and Local Governments shall implement a monitoring process that will demonstrate oversight and corrective action in the case of non-compliance, for all providers that receive Opioid Funds. Monitoring shall include:

- (i) Oversight of the any contractual or grant requirements;
- (ii) Develop and utilize standardized monitoring tools;
- (iii) Provide DCF and the Opioid Abatement Taskforce or Council with access to the monitoring reports; and
- (iv) Develop and utilize the monitoring reports to create corrective action plans for providers, where necessary.

11. **Reporting and Records Requirements-** The State and Local Governments shall follow their existing reporting and records retention requirements along with considering any additional recommendations from the Opioid Abatement Taskforce or Council. Local Governments shall respond and provide documents to any reasonable requests from the State or Opioid Abatement Taskforce or Council for data or information about programs receiving Opioid Funds. The State and Local Governments shall ensure that any provider or sub-recipient of Opioid Funds at a minimum does the following:

- (a) Any provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of Opioid Funds. Upon demand, at no additional cost to the State or Local Government, any provider will facilitate the duplication and transfer of any records or documents during the term that it receives any Opioid Funds and the required retention period for the State or Local Government. These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the State or Local Government.
- (b) Any provider shall retain and maintain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the use of the Opioid Funds during the term of its receipt of Opioid Funds and retained for a period of six (6) years after its ceases to receives Opioid Funds or longer when required by law. In the event an audit is required by the State or Local Governments, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of any award or contract.
- (c) At all reasonable times for as long as records are maintained, persons duly authorized by State or Local Government auditors shall be allowed full access to and the right to examine any of the contracts and related records and documents, regardless of the form in which kept.
- (d) A financial and compliance audit shall be performed annually and provided to the State.

(e) All providers shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.) or the State.

(f) No record may be withheld nor may any provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

12. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the full contingent fees of Local Governments is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State in connection with the Settlement because their participation increases the amount of Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense Fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the Agreement shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten-to-eighteen-year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two payments of the Settlement. Accordingly, to offset the amounts being paid from the

City/County Fund to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	\$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	\$150
Expense Fund (paid over 2 years):	\$15
Amount Paid to Expense Fund in 1st year:	\$7.5
Amount Paid to Expense Fund in 2nd year	\$7.5
Amount that may be borrowed from Regional Fund in 1st year:	\$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	\$7.5
Amount that must be paid back to Regional Fund in 3rd year:	\$5
Amount that must be paid back to Regional Fund in 4th year:	\$5
Amount that must be paid back to Regional Fund in 5th year:	\$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the Agreement, by order of the Court. The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

13. **Dispute resolution**- Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph.; (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund; or (d) to recover amounts advanced from the Regional Fund for the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds. In the event that there is a National Settlement Administrator or similar entity, the Local Governments sole action for non-payment of

amounts due from the City/County Fund shall be against the particular settling defendant and/or the National Settlement Administrator or similar entity.

Opioid Settlement Funded Tiny Home Transitional Housing Program

Program Guidelines

I. Program Purpose and Authority

Palm Beach County (“County”), through its Community Services Department (CSD), administers Opioid Settlement Funds (OSF) in accordance with the Florida Opioid Allocation and Statewide Response Agreement and the Behavioral Health and Substance Use Disorder Plan (2024).

The purpose of the Opioid Settlement Funded Tiny Home Transitional Housing Program (“Program”) is to address **housing instability as a critical social determinant of health** for individuals impacted by substance use disorders by supporting the acquisition and operation of **transitional tiny home housing paired with treatment and recovery-oriented supportive services**.

This Program is implemented as a **pilot initiative** and is designed to complement Countywide homelessness, behavioral health, and substance use disorder strategies.

II. Allowable Use of Opioid Settlement Funds

Consistent with the Florida Opioid Allocation and Statewide Response Agreement, Opioid Settlement Funds under this Program may be used for:

- The **acquisition of prefabricated tiny home units** intended for use as transitional housing;
- Investments that address **social determinants of health**, including housing instability, for populations impacted by opioid use disorder and co-occurring behavioral health conditions;
- Program models that integrate **housing with treatment, case management, and recovery supports**.

Opioid Settlement Funds **may not** be used for ongoing operating subsidies unrelated to the approved scope, or for purposes inconsistent with State or County opioid settlement requirements.

III. Program Model

The Program supports a **community-based transitional housing model** with the following core elements:

- **Prefabricated tiny homes** owned and operated by a nonprofit provider;
- **Low-barrier, housing-first principles** that prioritize stabilization and recovery;
- **Time-limited transitional housing**, with a maximum length of stay of up to twenty-four (24) months per participant;
- **Wraparound treatment and supportive services** delivered on-site or through coordinated partnerships; and

- A structured pathway to permanent housing upon program completion.

The County will not retain ownership of the tiny homes and will have no ongoing operational or maintenance responsibility.

IV. Eligible Participants

Eligible participants must:

- Be residents of Palm Beach County;
- Be experiencing homelessness or housing instability; and
- Have a substance use disorder or co-occurring behavioral health condition that qualifies under opioid settlement allowable uses.

Referrals shall be prioritized through the County's homeless continuum of care and coordinated entry system, consistent with County policy.

V. Eligible Providers

Eligible providers must:

- Be a nonprofit organization authorized to do business in the State of Florida;
- Demonstrate experience in housing, behavioral health, substance use disorder services, or related supportive services;
- Have the organizational and financial capacity to **own, operate, and maintain** tiny home units; and
- Comply with all County, State, and opioid settlement requirements.

VI. Funding Structure

- Funding is limited to up to **\$100,000 per tiny home unit**, subject to availability of Opioid Settlement Funds.
- Total Program funding under this pilot shall **not exceed \$500,000**.
- Agreements may allow for a **one-time advance payment** to support procurement, with remaining funds disbursed on a **reimbursement basis** upon submission of required documentation.
- All expenditures must be supported by **procurement records, invoices, and proof of payment**.

VII. Provider Responsibilities

Participating providers are responsible for:

1. Procurement and Ownership

- Procuring prefabricated tiny homes in compliance with applicable procurement requirements;
- Accepting full ownership and long-term responsibility for the units.

2. Site Development and Operations

- Securing land, zoning approvals, permits, inspections, and utility connections;
- Maintaining units and common areas in safe, habitable condition;
- Ensuring compliance with Fair Housing, ADA, and applicable building and safety codes.

3. Program Operations

- Operating the transitional housing program in accordance with approved program standards;
- Establishing and enforcing occupancy rules and resident agreements;
- Collecting resident rent contributions, not to exceed \$400 per month or thirty percent (30%) of income, whichever is lower, to support program sustainability.

4. Supportive and Treatment Services

- Providing or coordinating behavioral health and substance use disorder treatment;
- Delivering case management, benefits enrollment assistance, employment linkage, and life-skills development;
- Utilizing trauma-informed, recovery-oriented, and culturally responsive practices.

VIII. Coordination with Philanthropic Partners

Where applicable, providers shall coordinate with philanthropic partners identified by the County to support **site infrastructure costs**, including sewer, electrical, and utility installation. Documentation of philanthropic contributions and infrastructure readiness must be maintained and made available to the County upon request.

IX. Reporting and Performance Measures

Providers must submit reports in a format and frequency approved by the County, which may include:

- Housing retention and length of stay;
- Treatment engagement and service utilization;
- Income and benefits enrollment outcomes;
- Emergency services and crisis system utilization; and
- Successful exits to permanent housing.

Failure to meet reporting or performance requirements may result in corrective action, funding adjustments, or termination of participation.

X. Monitoring and Compliance

All Program activities are subject to:

- County programmatic and fiscal monitoring;
- Audit and records retention requirements; and
- Compliance with all applicable opioid settlement, State, and County policies.

The County reserves the right to modify, suspend, or terminate Program participation based on funding availability, compliance findings, or Program performance.

XI. Pilot Program Status

This Program is implemented as a **pilot initiative**. Continuation, expansion, or modification of the Program will be subject to future Board of County Commissioners approval, funding availability, and evaluation of Program outcomes.
