Summary: TCRPC discusses local government comprehensive plans, developments of regional impact and other regional planning activities. In accordance with the TCRPC Rules of Order, the Board of County Commissioners (BCC) appointed its members and alternates for the coming year. The TCRPC Rules of Order also require the League to appoint municipal representatives and for the BCC to ratify them. The League appointed the above municipal representatives. Currently there is one (1) vacancy. Countywide (DL)

Background and Justification: The TCRPC Organizational Rules provide that the BCC appoint three BCC members and three BCC alternates to the Council each year. Additionally, the BCC ratifies the Palm Beach County League of Cities municipal representatives and alternates. The only restriction on both the members and alternates is that they are elected officials. The TCRPC is charged with discussion of local government comprehensive plans, developments of regional impact, and other regional planning activities, and has requested the BCC ratify the municipal representatives appointed by the League.
