Impact fee funds are from interest earned by the Impact Fee Fund. District 4 (TJC)

Background and Justification:
On November 17, 2009, the BCC authorized the use of impact fee investment earnings from roads, parks, and public building for affordable housing projects. On December 10, 2024, the BCC approved revisions to the IFAHAP Guidelines.

The IFAHAP make funds available to for-profit and non-profit entities seeking to build affordable rental or for-sale housing units and to individuals seeking to build affordable individual homes for use as their principal place of residence. The IFAHAP funding award will expire two (2) years after the date of the approval by the BCC. Certificate(s) of Occupancy must be obtained for all assisted units, and such units must be occupied by eligible households within four (4) years after the date of the funding approval by the BCC. On August 20, 2024 (Agenda Item # 31-10), the applicant was awarded impact fee assistance in the amount of \$276,308, with an expiration date of August 20, 2026. Accordingly, the applicant is requesting consideration of new impact fee assistance due to the expiration of the previously awarded credits.
