a. COUNTY Maintained THOROUGHFARES

- i. However, on COUNTY maintained THOROUGHFARES, the COUNTY does not accept any maintenance responsibility for any traffic control device, such as pavement markings, signs, and traffic signals, that was not approved by the County Engineer (UNWARRANTED DEVICES). UNWARRANTED DEVICES may be removed by the COUNTY.
- ii. Subject to the limitations in this Section 3, pursuant to its AUTHORITY over COUNTY maintained THOROUGHFARES, the COUNTY may place and maintain such traffic control devices which conform to the Manual on Uniform Traffic Control Devices (MUTCD) and specifications of the Florida Department of Transportation, as COUNTY shall deem necessary to indicate and carry out the provisions of Chapter 316, Florida Statutes, or to regulate, warn, or guide traffic.

b. CITY Maintained Roads

- i. The CITY agrees to transfer, and the COUNTY agrees to accept, AUTHORITY over the existing traffic signals listed in **Exhibit A**, and the related traffic signs and pavement markings (collectively, EXISTING DEVICES), all of which are located on CITY maintained roads. The CITY agrees to be responsible for all costs incurred by the COUNTY related to any modification, upgrade, and/or replacement of EXISTING DEVICES, regardless of cause, provided that the estimated cost and scope of any such modification, upgrade, and/or replacement is submitted to and approved by the CITY in

advance of such work. Payments are to be made by the CITY within sixty (60) days from the date of the COUNTY invoice.

ii. The CITY agrees to transfer, and the COUNTY agrees to accept and perform, certain functions and duties on CITY maintained roads, as follows:

- a. Such warranted TRAFFIC CONTROL DEVICES shall be considered included in this AGREEMENT.
- b. Maintain school zone signs, markers, traffic control devices and pedestrian control devices installed after the Effective Date, only if the school zone is established according to Section 316.1895, Florida Statutes, as determined by the County Engineer (collectively SCHOOL ZONE DEVICE(S)). The CITY agrees to be responsible for any and all costs related to the design and installation of any SCHOOL ZONE DEVICE to be installed after the Effective Date, and for all costs incurred by the COUNTY related to any modification, upgrade, and/or replacement of any SCHOOL ZONE DEVICE, regardless of cause, provided that the estimated cost and scope of any such modification, upgrade, and/or replacement is submitted to and approved by the CITY in advance of such work. The CITY agrees to be responsible for SCHOOL ZONE DEVICE wireless communication service costs.

c. EVP

- i. The COUNTY agrees to maintain the EXISTING EVP SIGNAL EQUIPMENT and EVP SIGNAL EQUIPMENT as may be installed after the Effective Date, as approved by the County Engineer (collectively, PRE-EMPTION SIGNAL EQUIPMENT).
- ii. The CITY agrees to be responsible for any and all costs related to the design and installation of any PRE-EMPTION SIGNAL EQUIPMENT and for all costs incurred by the COUNTY related to any modification, upgrade and/or replacement of any PRE-EMPTION SIGNAL EQUIPMENT, regardless of cause.
- iii. Except as provided in section 3.c.i., the CITY shall be fully responsible for all work and costs related to the EVP, including but not limited to all costs associated with repair and replacement of signal cabinet or equipment damage caused by PRE-EMPTION SIGNAL

EQUIPMENT or wireless communication devices and services used for EVP.

- iv. Payments are to be made by the CITY within sixty (60) days from the date of the COUNTY invoice.

- d. The Parties understand and agree that all rights and powers, as may be vested in the CITY pursuant to Chapter 316, Florida Statutes, and any other law, ordinance, or City Charter provision, that are not specifically transferred to the COUNTY under this AGREEMENT, shall be retained by the CITY. The Parties further understand and agree that the CITY is not transferring any of its traffic enforcement functions, rights, or duties, including with regard to installation, maintenance, or operation of any speed detection system, by the execution of this AGREEMENT, and the CITY shall fully retain such traffic enforcement functions, rights, and duties, together with all rights of enforcement of CITY traffic ordinances or State traffic laws.

Section 4. CITY Intersections

- a. At the intersections of only CITY maintained roads or intersections of CITY maintained roads with privately maintained roads, the CITY agrees to be responsible for any and all costs related to the design and installation of any TRAFFIC CONTROL DEVICE to be installed after the Effective Date, and for all costs incurred by the COUNTY related to any modification, upgrade, and/or replacement of any TRAFFIC CONTROL DEVICE, regardless of cause, provided that the estimated cost and scope of any such modification, upgrade, and/or replacement is submitted to and approved by the CITY in advance of such work.
- b. At the intersections of CITY and COUNTY maintained roads, the CITY and COUNTY shall equally share all costs related to the design and installation of any TRAFFIC CONTROL DEVICE to be installed after the Effective Date, and shall equally share the costs incurred by the COUNTY related to any modification, upgrade, or replacement of any TRAFFIC CONTROL DEVICE incurred after the Effective Date, regardless of cause, provided that the estimated cost and scope of any such modification, upgrade, and/or replacement is submitted to and approved by the CITY in advance of such work.
- c. Payments are to be made by the CITY within sixty (60) days from the date of the COUNTY invoice.

Section 5. Transfer of Ownership of Traffic Control Devices

- a. With the exception of UNWARRANTED DEVICES installed prior to the Effective Date the CITY hereby transfers ownership to the COUNTY of all traffic control devices, if any, installed within and owned by the CITY on COUNTY maintained THOROUGHFARES, the EXISTING DEVICES pursuant to Section 3.b.i above, and the TRAFFIC CONTROL DEVICES which are included in this AGREEMENT under Section 3.b.ii.a above.
- b. Ownership of UNWARRANTED DEVICES installed prior to the Effective Date remains with the CITY.

Section 6. Termination

This AGREEMENT may be cancelled by COUNTY or CITY upon formal written notice given at least ninety (90) days prior to the next succeeding October 1st and said October 1st shall be the effective date of such cancellation.

- a. Upon termination and at the discretion of the COUNTY, traffic control devices on COUNTY maintained THOROUGHFARES may be (1) purchased by the CITY or (2) removed by the COUNTY at the CITY's expense.
- b. If the CITY desires to purchase COUNTY's traffic control devices, CITY shall pay the COUNTY for the COUNTY's original incurred cost thereof, as determined by the County Engineer, including installation charges, minus a depreciation factor of one-tenth (1/10) of the original cost per year to be deducted from such cost. In no event, however, shall the payment be less than thirty percent (30%) of the COUNTY's original cost of installation. The CITY is to submit the purchase payment within sixty (60) days from the date of termination. If the CITY does not desire to purchase the COUNTY's traffic control devices, the COUNTY shall remove the traffic control devices and the CITY shall pay the COUNTY for all actual costs to remove the traffic control devices, within sixty (60) days from the date of the COUNTY invoice.
- c. Upon termination, TRAFFIC CONTROL DEVICES owned prior to the Effective Date of this AGREEMENT by the CITY, if any, and TRAFFIC CONTROL DEVICES at the intersections of CITY maintained roads shall become CITY property and subject to CITY ownership and control thereafter.

Section 7. Effective Date

This AGREEMENT shall take effect upon execution by the Parties.

Section 8. Filing

Upon execution by both Parties, a certified copy of this AGREEMENT shall be filed with the Clerk of Circuit Court in and for the COUNTY.

Section 9. Severability

In the event any section, paragraph, sentence, clause, or provision hereof is held by a court of competent jurisdiction to be inoperative, void, or otherwise invalid, such holding shall not affect the remaining portions of this AGREEMENT, and the same shall remain in full force and effect.

Section 10. Insurance

Without waiving the right to sovereign immunity as provided by section 768.28, Florida Statutes, CITY and COUNTY represent that each is a political sub-division of the state subject to the limitations of Florida Statutes section 768.28 as amended. CITY and COUNTY each agree to maintain fiscally sound and prudent insurance programs with regard to their respective obligations under this AGREEMENT.

Should either CITY and/or COUNTY contract with a third-party to perform any service related to the AGREEMENT, CITY and/or COUNTY shall require the third-party to provide the following minimum insurance:

- Commercial General Liability insurance with minimum limits of \$2,000,000 combined single limit for property damage and bodily injury per occurrence. Such policy shall be endorsed to include CITY and COUNTY as Additional Insureds.

Section 11. Indemnification

The CITY shall protect, defend, reimburse, indemnify and hold the COUNTY, its agents, employees and elected officers, and each of them free and harmless at all times from and against any and all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during and as a result of their performance of the terms of this AGREEMENT or due to the acts or omissions of the CITY. The CITY's aforesaid indemnity and hold harmless agreement shall apply to the fullest extent permitted by law but in no event shall it apply to liability caused by the negligence or willful misconduct of the COUNTY, its respective agents, servants, employees or officers, nor shall the liability limits set forth in Florida Statutes section 768.28 be waived. The

foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, regardless of the nature or basis of the claim asserted.
