WHEREAS, each of the parties to this Agreement presently maintains a fire-rescue department with fire rescue equipment, fire fighting personnel, emergency medical equipment, emergency medical personnel, and other emergency capabilities; and

WHEREAS, it is deemed mutually advantageous to enter into this Agreement providing for mutual assistance in times of emergency where the need created may be too great for either party to deal with unassisted, , where agreeable and in the public interest; and

WHEREAS, the City and County desire to enter into this Agreement as a means to further enhance the fire-rescue services that they currently provide within their respective jurisdictions.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein and the benefits following from each to the other, the County and the City do hereby agree as follows:

ARTICLE I: MUTUAL ASSISTANCE

Section 1. Request for Assistance: The County and the City agree to provide emergency mutual assistance to each other for Fire Suppression, Emergency Medical Services, and Technical Rescue, within the terms and conditions set forth by this Agreement.

The assistance provided for by this Agreement shall extend to areas served by the parties through service agreements or ordinances. Emergency mutual assistance will be given when properly requested

unless the party from whom assistance is requested determines in accordance with Section 4 of this Article that it is unable to respond. The party requesting assistance shall provide the following information at the time the request is made:

- A. The general nature, type and location of the emergency; and
- B. The type and quantity of equipment and/or personnel needed; and
- C. The name and rank of the person making the request.

All requests shall be directed through the respective party's emergency communications center. The following officials of the participating parties are authorized to request assistance under this Agreement: the respective Fire Chiefs, Assistant or Deputy Fire Chiefs, or Incident Commanders.

Section 2. Command Authority: In the event of an emergency which requires additional assistance, the Fire Chief of the jurisdiction in which the incident is located, or in his or her absence, the Assistant or Deputy Fire Chief or the Incident Commander, will direct the activities at the scene where the emergency exists, but personnel responding to the call will remain under the command of their own officers at all times. Each party shall retain control over its personnel and the rendition of services, standards of performance, discipline of officers and employees, and other matters incidental to the performance of services. Each party authorizes its Fire Chief or designee to meet with the other party's Fire Chief or designee and develop mutual assistance plans and procedures, including but not limited to details regarding areas to be serviced and type and/or level of response. Such mutual assistance plans and procedures, if any, shall be set forth in a Letter(s) of Understanding. The Fire Chiefs are hereby authorized to enter into and amend said Letter(s) of Understanding on behalf of their respective parties, consistent with this Agreement and policies and procedures, if any, of the respective parties. The Fire Chiefs are also authorized to promulgate necessary administrative regulations and orders to implement and administer these plans and procedures.

Section 3. Remuneration: Unless stated in the Letter(s) of Understanding, all costs associated with providing mutual assistance under this Agreement shall be the responsibility of the party rendering assistance and neither party shall seek reimbursement of costs associated with rendering mutual assistance from the other party.

If the party rendering assistance for emergency medical services provides transport service, then that transporting party may request reimbursement for the transport service from the patient to the extent permitted by law. The

party rendering service will handle billing, insurance claims and collection in accordance with their policies and procedures and any applicable laws and regulations, including the latest Federal Medicare guidelines, if applicable.

If the rendering party invoices the responsible party for the incident for reimbursement of the goods and services provided, a copy of such invoice shall be forwarded to the requesting party as a matter of courtesy, provided however that the parties shall not provide copies of transport fee invoices to the other party or otherwise use or disclose Protected Health Information ("PHI") or Electronic Protected Health Information ("e-PHI") except as permitted by the Health Insurance Portability and Accountability Act ("HIPAA"), as amended, and the regulations promulgated thereunder (collectively "HIPAA"), and any other applicable laws and regulations, all as may be amended from time to time.

Section 4. Ability to Respond: Each party may refuse to respond to a request for assistance in the event it does not have the required equipment or manpower available or if, in its sole judgment, compliance with the request would jeopardize the protection of its own jurisdiction or personnel. Notwithstanding anything herein that may be construed to the contrary, the parties understand and agree that it is not the intention of the parties to subsidize the normal day-to-day operations or shortages in staffing or equipment of the other party and that the mutual assistance provided hereunder is intended to be mutual in nature.

Section 5. Laws and Regulations: Services provided by either party shall be governed by all applicable laws, rules and regulations, as they may be amended from time to time. Notwithstanding anything herein to the contrary, should any of the services contemplated by this Agreement require a COPCN, then the responding party agrees to take all necessary actions to obtain and maintain such.

Section 16. Remedies: This Agreement shall be governed by the laws of the State of Florida. Any and all legal action necessary to enforce the Agreement will be held in a court of competent jurisdiction located in Palm Beach County, Florida. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The provisions of this section shall survive the termination or expiration of this Agreement.
