Submitted By: Engineering & Public Works

Submitted For: Roadway Production Division

I. EXECUTIVE BRIEF

Project: Testing Lab Services on a Task Order Basis

Motion and Title: Staff recommends motion to approve: The renewal of the Testing Lab Services Annual Agreement with the following firm:

Firm Name	Original Agreement Date	Resolution No.
Dunkelberger Engineering & Testing, Inc.	June 21, 2005	R2005-1144

Summary: This Agreement is being considered for renewal for required professional services, on a task order basis.

Districts: Countywide (PK)

Background and Justification: In accordance with Board-adopted procedures pursuant to Florida Statutes 287.055 Consultants Competitive Negotiations Act (CCNA), the above listed consulting firm was selected to perform professional services relative to County needs, and is presently under Agreement with Palm Beach County on an annual contractual basis. This is the first renewal of this firms' Agreement. It is the consensus of the user departments that this consulting firm has, within the provisions of their Agreement, provided the professional services requested by the County. Since they remain in good standing and wish to continue to provide the professional services as indicated in their Agreement, the County agrees to renew their Agreement for one (1) year.

This Agreement has been reviewed with the above listed consulting firm, and this office now recommends the first renewal of the attached consultant Annual Agreement. This transaction will maintain the continuous process of professional services required by Palm Beach County.
