WITNESSETH

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, the COUNTY and PAHOKEE have previously entered into an Agreement for the Provision of Bulk Potable Water Service ("Bulk Water Agreement") wherein the COUNTY will design, construct and operate a new Lake Region Water Treatment Plant ("LRWTP") and PAHOKEE, among other parties, will purchase water treated at the LRWTP from the COUNTY; and

WHEREAS, The South Florida Water Management District (SFWMD) and PAHOKEE have previously entered into a contract for the construction of a Floridan Aquifer Production Well -Contract #DG061192("FAPW Agreement") to supply raw water to the 10 MGD (finished water) LRWTP; and

WHEREAS, Pursuant to the Bulk Water Agreement, PAHOKEE wishes to have the COUNTY perform the research, design, construction and permitting aspects of the Floridan Acquirer Production Well as required under the FAPW Agreement, and to reimburse COUNTY the grant money provided under the FAPW Agreement in exchange for said research, design, construction and permitting.

NOW THEREFORE, in consideration of the mutual promises contained herein, the COUNTY and PAHOKEE agree as follows:

1. Recitals. The foregoing statements are true and correct and are incorporated herein as if fully set forth.
2. Term. This Agreement shall commence on the Effective Date and shall continue until the responsibilities of both parties have been completed.

3. Effective Date. This Agreement shall become effective upon approval by both parties. The Effective Date of this Agreement shall be the date the Agreement is ratified by the Palm Beach County Board of County Commissioners.
4. Responsibilities of COUNTY. Pursuant to the Bulk Water Agreement, COUNTY, or any subcontractor it may in its sole discretion select, will research, design, construct, and permit a Floridan Aquifer Production Well to supply the LRWTP, as specified in the FAPW Agreement-Contract #DG061192, a copy of which is attached hereto and incorporated herein as Exhibit "A". COUNTY will comply with all requirements of the FAPW Agreement for the research, design, construction and permitting of the Floridan Acquirer Production Well. COUNTY will provide PAHOKEE with all permits and certifications required under the FAPW Agreement for PAHOKEE to comply with the FAPW Agreement and to receive reimbursement from SFWMD.
5. Responsibilities of PAHOKEE. PAHOKEE shall comply with all reporting and certification requirements of the FAPW Agreement to ensure that reimbursement is received from SFWMD in a timely manner. PAHOKEE shall provide COUNTY with all payments provided by SFWMD under the FAPW Agreement. PAHOKEE shall make said payments to COUNTY within twenty (20) business days of receipt of payments from SFWMD. Failure of PAHOKEE to fully comply with any of the provisions of this paragraph shall be a material breach of this agreement, and COUNTY shall be permitted to initiate legal proceedings to seek reimbursement of any funds paid from SFWMD under the FAPW Agreement and not remitted to COUNTY by PAHOKEE.
6. Payments to Reduce Initial Capital Cost. All costs of research, design, constructing and permitting of the Floridan Aquifer Production Well will be included in the Initial Capital Cost (ICC) as defined in the Bulk Water Agreement between the COUNTY and PAHOKEE, and all payments received by the COUNTY pursuant to this Agreement shall be utilized to reduce the ICC. A copy of the Bulk Water Agreement is attached hereto and incorporated herein as Exhibit "B".
7. Retention of Obligations under FAPW Agreement. PAHOKEE retains all of its rights and obligations of the FAPW Agreement with SFWMD. This is intended as a separate agreement between the COUNTY and PAHOKEE for the research, design, construction and permitting of a Floridan Aquifer Production Well, and for the reimbursement of those services. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful, or intentional acts or omissions.
9. No Transfer of Powers. Nothing contained in this Agreement shall be construed to constitute a transfer of powers in any way whatsoever. This Agreement is solely an Agreement to provide services as authorized in Florida Statutes, Chapter 163. The governing bodies for COUNTY and PAHOKEE shall each maintain all legislative authority with regard to their respective political subdivision. All of the privileges and immunities from liability; exemption from laws, ordinances, and rules; and pensions and relief, disability, workers compensation and other benefits which apply to the activity of officers, agents or employees of any public agents or employees of any public agency when performing their respective functions within the territorial limits for their respective agencies shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, or employees extra-territorially under the provisions of this Agreement.

other party, in respect to all covenants of this Agreement. Neither COUNTY nor PAHOKEE shall assign, sublet, convey, or transfer its interest in this Agreement without prior written consent of the other.

The failure of either party to insist on the strict performance of any of the agreements, terms, covenants and conditions hereof shall not be deemed a waiver of any rights or remedies that said party may have for any subsequent breach, default, or non-performance, and said party's right to insist on strict performance of this Agreement shall not be affected by any previous waiver of course or dealing.
14. Severability. If any term or provision of this Agreement, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable by any court of competent jurisdiction, then the remainder of this Agreement, or the application of such terms or provision, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Agreement shall be deemed valid and enforceable to the extent permitted by law.
