

Palm Beach County Animal Care and Control offers many services to assist Palm Beach County pet owners with spaying and neutering.

The Spay Shuttle is a low-cost spay/neuter mobile veterinary clinic. The cost is \$40 for cats/ kittens and \$50 for dog/ puppies for any county resident and free for those on public assistance. Appointments are scheduled by calling 561-233-1261. Because the program is so popular, the waiting list is sometimes two months or longer.

Now open, the West County Spay/Neuter Clinic located in Pahokee, offers free spaying or neutering for dogs and cats of Palm Beach County residents. There is a small fee for rabies vaccination, license tag and a microchip. Call 561-924-5657 for more information or to schedule an appointment.

Spay / Neuter Voucher Program Criteria and Instructions

The Spay/Neuter Voucher Program is a \$100 incentive for pet owners of domestic dogs and cats residing in Palm Beach County and who receive and show proof of aid from public assistance programs, who fall within the definition of low-income by the Federal Poverty Guidelines, who receive unemployment benefits, or senior citizens over the age of 70 years. **Arabies vaccination, license tag and microchip are required for pets prior to receiving a voucher. For information on complying with this requirement, call 561-233-1252.**

If your dog/cat needs a rabies vaccination, tag & microchip:

- Bring dog/cat to ACC for free rabies shot, tag & microchip
- Bring proof of residency, drivers license, current tax return, public assistance or unemployment verification
- Complete the application at Animal Care and Control (ACC)
- If approved, a voucher is issued & a list of veterinarians
- Check for any additional expenses; the \$100 voucher is to pay for the spay or neuter surgery only

If your dog/cat already has a rabies vaccination, tag & microchip:

- Applications are on-line, pbcgov.com/pubsafety/ animal
- Complete the application and mail to PBCACC, Voucher Program, 7100 Belvedere Road, WPB, FL 33411
- Attach copy of proof of residency (e.g., driver's license, FPL bill or other bill that shows your name and address) your qualifications as listed above
- Attach copy of pet's rabies certificate to include the license tag number and microchip number

If approved, you will receive a voucher valued at \$100. This voucher is good for only one dog or cat spay or neuter at a participating veterinary office. **There is a limit of six vouchers per household. Offer is limited and restrictions apply.**

Upon receipt of the voucher, contact a participating veterinarian and ask the veterinarian if the voucher is for full or partial payment of the sterilization. The pet owner is responsible for inquiring about additional charges. The voucher does not cover fees involving blood work, medications, vaccinations or surgery complications.

Services provided by veterinarians and paid for by the Palm Beach County Board of County Commissioners.
