WHEREAS, the Intergovernmental Coordination Element Section of the Palm Beach County Comprehensive Land Use Plan (Ordinance 80-8, as amended by Ordinance 81-27 and 82-26) provides that the Board of County Commissioners may find the proposed waiver request compatible with the Comprehensive Plan if the uses and/or densities proposed will have no significant effect on County systems, or such effect is mitigated by compliance with the Performance Standards; and

WHEREAS, the Planning, Zoning, and Building Department has reviewed the request and has found that the proposed development is consistent with the Comprehensive Land Use Plan designation of Low to Medium Residential for the subject area and would have little or no significant impact on County Systems as outlined in the August 31, 1983 memorandum of the Planning Director, attached hereto and made a part hereof, and

WHEREAS, Florida Statutes, §171.062 requires that when a City desires to Rezone property which was previously subject to County Land Use control, that the City must request and receive permission for such change from the Board of County Commissioners of the respective County;

Inter-Office Communication

PALM BEACH COUNTY

7B-14

TO Stan Redick, Planning Director DATE August 29, 1983  
FROM Richard Morley FILE  
Principal Planner  
RE Annexation/Rezoning - City of Delray Beach  
Resolution No. 52-83

The Planning Division has reviewed the above waiver request under Chapter 171.062 Florida Statutes and County Ordinance 82-26, amendment to the intergovernmental coordination element of the County's Comprehensive Plan. The following comments are offered

Background Information

The City of Delray Beach has recently annexed a 0.29 acre parcel of land located at the northeast corner of Barwick Road and Brandon Drive. The request is now for the purpose of rezoning the land from the County Zoning Classification RS (Single Family Residential) to the City's Zoning Classification R-1A (Single Family Dwelling) District

Land Use Plan Designation and Zoning District

- a) The subject site is presently zoned RS (Single Family Residential) by the County.
- b) The City proposes to rezone the property to R-1A (Single Family Dwelling)
- c) There is little significant difference between the County's RS Zoning District and the City's proposed R-1A District.
- d) The County Land Use Plan identifies the subject site as having low to medium land use designation allowing for three units per acre in a standard subdivision and five units per acre in a PUD
- e) The City's proposed rezoning to R-1A is consistent with the County's Land Use designation of Low to Medium Residential for the subject area.

Recommendation

Since the City's proposed rezoning to R-1A is consistent with the County's Land Use Designation of "Low to Medium Residential", it is recommended that the County grant the City of Delray Beach the waiver request under Chapter 171.062 F S.
