

RESOLUTION NO. R- 84-166

RESOLUTION APPROVING ZONING PETITION 81-162(A), Rezoning

WHEREAS, the Board of County Commissioners, as the governing body, pursuant to the authority vested in Chapter 163 and Chapter 125, Florida Statutes, is authorized and empowered to consider petitions relating to zoning; and

WHEREAS, the notice and hearing requirements as provided for in Chapter 402.5 of the Palm Beach County Zoning Code Ordinance No. 73-2 have been satisfied; and

WHEREAS, Petition No. 81-162(A) was presented to the Board of County Commissioners of Palm Beach County at its public hearing conducted on 27th October 1983; and

WHEREAS, the petitioner agreed that the development will retain on-site 85% of the stormwater runoff generated by the three-year storm per the requirements of the Permit Section, Land Development Division; and

WHEREAS, the petitioner agreed that the entrance to this development will be aligned with the existing entrance to Grove Park Elementary School; and

WHEREAS, the petitioner agreed that the developer shall install opaque screening along the western property line including a masonry wall a minimum of 6 feet high, measured from the top of the existing canal bank and opaque landscaping a minimum of 4 feet high measured from this project's finished grade; and

WHEREAS, the Board of County Commissioners has considered the evidence and testimony presented by the applicant and other interested parties and the recommendations of the various county review agencies and the recommendations of the Planning Commission; and

WHEREAS, the Board of County Commissioners made the following findings of fact:

1. The proposed rezoning is consistent with the requirements of the Comprehensive Plan and Zoning Code.
2. Provided that the access to this property is controlled and provided that adequate screening is installed along the west property line, this rezoning should not have any significant adverse impacts upon adjoining properties and thoroughfares.
