Inter-Office Communication

PALM BEACH COUNTY

TO Stan Redick, Planning Director DATE April 17, 1984
FROM Richard Morley FILE
Principal Planner
RE Annexation/Rezoning - City of Delray Beach
Resolution No 21-84 (Park Place)

The Planning Division has reviewed the above waiver request under Chapter 171 062 Florida Statutes and County Ordinance 82-26, amendment to the intergovernmental coordination element of the County's Comprehensive Plan. The following comments are offered

Background Information

The City of Delray Beach has recently annexed a five acre parcel of land located on the south side of S.E 10th Street, between Dixie Highway and Federal Highway. The request is now for the purpose of rezoning the land from the County Zoning Classification RH (Residential High Density) to the City's Zoning Classification RH (Medium High to High Density Dwelling).

Land Use Plan Designation and Zoning District

- a) The subject site is presently zoned RH (Residential High Density) by the County
- b) The City proposes to rezone the property to RH (Medium High to High Density Dwelling District)
- c) There is little significant difference between the County's RH Zoning District and the City's proposed RH Zoning District. Both Zoning Districts allow 12 units per acre
- d) The County Land Use Plan identifies the subject site as having medium to medium high land use designation allowing for eight units per acre in a standard subdivision and twelve units per acre in a PUD
- e) The City's proposed rezoning to RH is consistent with the County's Land Use designation of medium to medium high which allows up to twelve units per acre residential for the subject area

Recommendation

R 84 752

The Planning Division has determined that the requested RH zoning by the City of Delray Beach is consistent with the County's Comprehensive Land Use Plan. In addition, the project will not have a significant impact on County Systems.

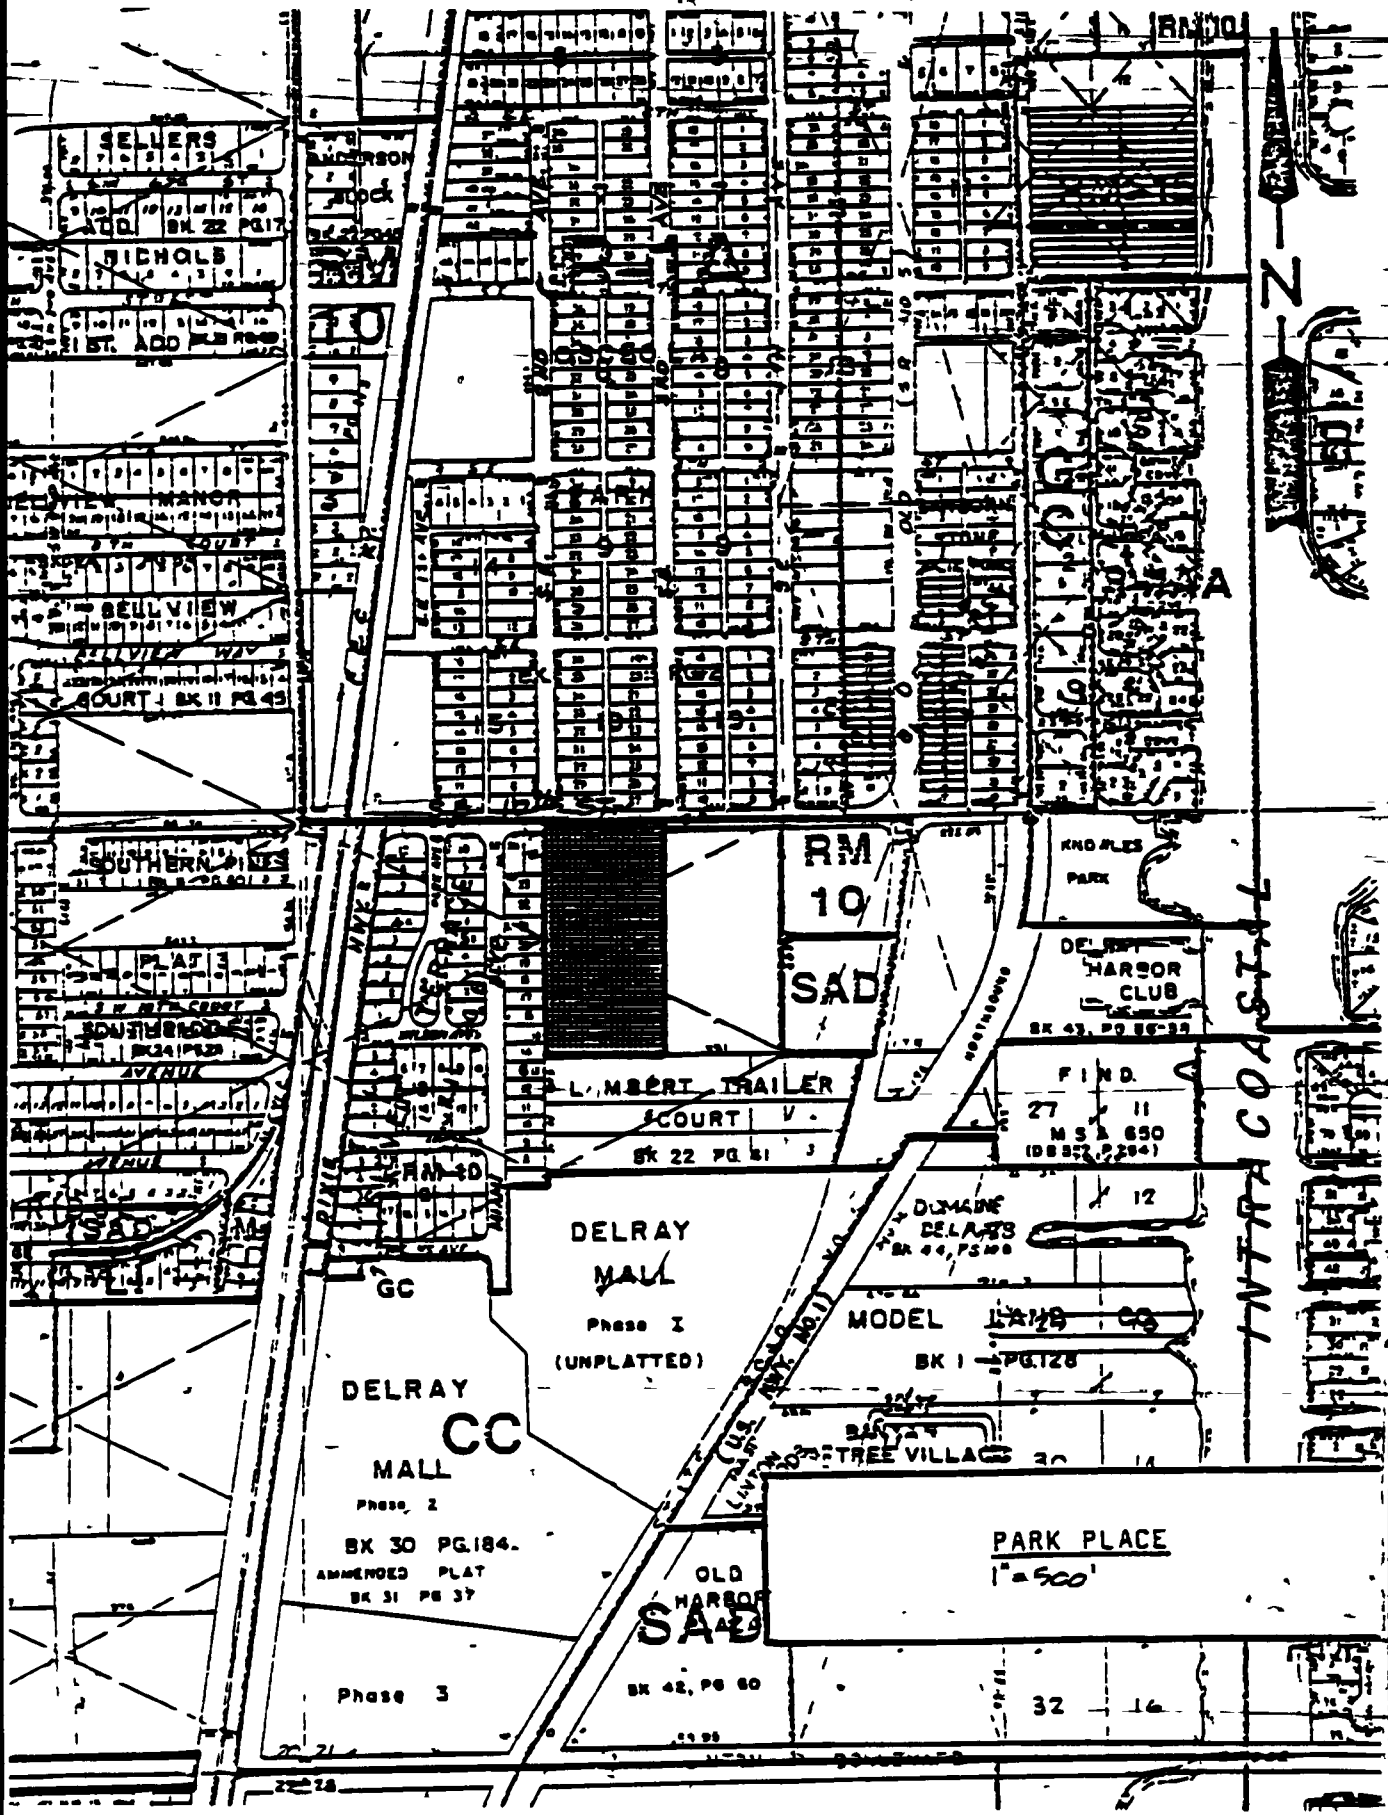

It is recommended that the waiver of County Zoning (RH) be granted to the City of Delray Beach under Chapter 171.062 F.S.
