

GET THE FAX

Sub-contractors will be able to FAX certain types of sub-permit applications to the Building Division. This special service is available to participants for an annual fee, which is used to offset equipment costs. Under the program, applicants may FAX any Sub-Permit applications where no fees are due. These include electrical, mechanical, plumbing, and roofing.

To join the program, complete the application form below and return it, along with a COPY of your ACTIVE STATE or COUNTY CONTRACTOR CERTIFICATION, to the address noted on the form. A FAX access number and permit application will be sent to you. For more information you may contact Pat Boyd at (561) 233-5383.
