Mr. G. R. Brockway, Bldg. Official  
Palm Beach County Building and  
Zoning Department  
P. O. Box 1548  
West Palm Beach, Florida 33402

Dear Mr. Brockway:

Plat of Eagle's Nest  
Plat One - Section 35, Township 40 South, Range 42 East  
Palm Beach County, Florida

This letter is to confirm the fact that Florida Power & Light Company objects to issuance of permits to build on Lots 34, 35, 36, 39, 40 and 45 within the west 30 feet of said lots and additionally where three anchors are presently located (Lots 35, 39 and 45).

Presently, we have a 138KV transmission line within the west 10 feet of the above described lots together with three anchors extending 60 feet east of the centerline of the transmission line.

This transmission line is mandatory for our needs to serve the entire area, and safety factors require anchors together with adequate right-of-way widths to withstand winds of hurricane velocity.

If we can be of any further help, please let us know.

Very truly yours,

*H. G. Hayes*
