## July 2020 Newsletter

### Taxpayers:

Happy Independence Day!

As my office monitors the evolving impact of COVID-19, we continue to implement ongoing measures to ensure the health and safety of our staff, while also maintaining the highest level of safe service to the taxpayers of Palm Beach County.

We are following CDC guidelines and are open to the public, however we still encourage you to contact us via phone: 561.355.3230, email: [PAO@pbcbgov.org](mailto:PAO@pbcbgov.org) or utilize our online services at our website: [www.pbcbgov.org/PAPA](http://www.pbcbgov.org/PAPA). Be sure to follow us on social media for the most up-to-date information.

Recently, my office held its 27th annual College Scholarship Awards ceremony virtually, and presented six outstanding high school seniors (from Palm Beach County) with college scholarships in the amount of \$1,500 each.

In addition to receiving a scholarship award, each recipient was offered a paid summer internship in my office. These six high-achieving, exceptional students demonstrated excellence in academic ability, persistence, leadership, and service to others.

Since 1994, the PAO has awarded more than \$140,000 in college scholarships. The event is particularly special to the PAO, because the money raised for the scholarships is 100% funded by our staff who participate in, "Friday Dress Casual Day", a volunteer donation program.

Also in this month's newsletter, an update on the 2020 tax roll process and the status of applications for property tax exemptions, portability and agricultural classifications. I hope you find this information beneficial and wish you a safe and happy Independence Day.

## 2020 Tax Roll Update

July is an important month as my office submits the 2020 preliminary tax roll to Florida's Department of Revenue (DOR) and the local taxing authorities. The preliminary tax roll is a systematic listing of information pertaining to the market valuation of all real property within Palm Beach County, for purposes of ad valorem taxation. These values assist taxing authorities in preparation for their upcoming budgets and setting their proposed millage (tax) rates.

This year is unprecedented for our county as we continue to manage the COVID-19 crisis. Florida law requires my office to value property based on the status of the real estate market and the property, as of January 1. Any adjustments that were due to market conditions caused by the crisis will be reflected in the 2021 assessments.

Palm Beach County-wide taxable property values have increased **5.92%** from 2019 to 2020.

### Highlights include:

- **Total Market value: \$288,618,967,306**
- **Total Taxable value: \$210,322,482,246**
- **Total Net New Construction Taxable: \$3,068,713,246**
- **Total Parcel Count: 645,034**
- **Total Tangible Accounts: 59,450**

Once the tax roll receives approval from Florida's DOR (usually in late July), my office will prepare the Notices of Proposed Property Taxes and Non Ad Valorem Assessments for Palm Beach County residents, which are mailed in mid-August.
